

**Mr. Anderson**  
**2015-2016**  
**Ceramics I and II**

**Expectations**

I expect maximum effort from my students in every aspect of the class for the entire year.

To complete this course and take your work home supplies need to be purchased such as clay, glazes, bags, paint, etc. The cost for these items is \$20 for the year. This is not mandatory. Students that elect not to pay may not take any projects home and will also need to recycle their own clay to use.

Students are required to have a binder, planner, pencil, pen, and ID card daily.

**Students are expected to:**

- Follow all district dress and behavior codes.
- Attend regularly.
- Be on time as the Sunnyside tardy policy will be enforced.
- Participate in all aspects of the class.
- Respect other students' projects, equipment, and materials.
- Respect the class, the equipment and supplies.
- Participate in clean up of the class each class period.
- Food and drinks are not allowed in class.
- Be positive and mindful of language and topics of conversation.
- Have fun.
- Be creative.

**Homework**

Some assignments will require work away from school. A studio art class requires that the majority of work will be done in the classroom and not at home. Attendance is therefore extremely important.

**Assessment**

Students work will be assessed on written assignments, project planning, projects, participation, effort, and tests.

**Extra Credit**

Extra will be earned through:

- Payment of the by the end of the third week of instruction. (200 pts)
- Response paper to an art gallery or museum visitation (two per quarter)
- Completion of extra projects that go above and beyond the boundaries of the original project as time allows.

**Extra time**

Students are expected to attend tutorial if they are falling behind or realize that they need extra time to complete his/her work. I will also be available during odd lunches. Incomplete work will not be accepted.

**Grading Policy**

90-100 A  
80-89 B  
70-79 C  
60-69 D  
0-60 F

Unexcused absences earn no points and anything missed due to an unexcused absence may not be made up. More than 7 unexcused in a semester will result in an FA grade which earns 0 credits. Unexcused absences and tardies will result in loss of participation points. Attendance is extremely important.

This document will be page one in the art/ceramics section of your binder.

I understand and will follow the above to the best of my ability,
